EDUCATION

Master of Computer Applications (MCA)

Shivaji University, Satara
2026 - Present

Bachelor of Computer Science

KBP University
2023 - 2026

CERTIFICATIONS

IBM SkillBuild

Internship Certificate

SMITA JADHAV

FULLSTACK DEVELOPER

ABOUT ME

Motivated and detail-oriented Computer Science student with a strong interest in web development and software technologies. Eager to learn new skills and contribute to real-world projects.

CAREER OBJECTIVE

To apply my technical skills and knowledge in software development, learn continuously, and contribute to the growth of an organization.

PROJECTS

1 Explore City

A comprehensive, dynamic web application designed for tourists and locals to explore detailed information about city attractions, including maps, reviews, and event listings. Implemented search and filter functionalities using a normalized MySQL database for efficient data retrieval.

Technology: HTML, CSS, JavaScript, PHP, MySQL

Live: <https://database.liveblog365.com/>

2 Personal Travel Diary

A feature-rich full-stack web application with user authentication for recording and managing personal travel experiences. Implemented crud operations on MongoDB, allowing users to add travel logs with photos, dates, and locations. Integrated a dynamic maps feature and user-friendly dashboards.

Technology: React.js, Node.js, Express.js, MongoDB

Live: <https://personal-travel-diary-web-frontend-74qf.onrender.com>
